

WESTSIDE QUILTERS

Supply List for: Singapore Sweets

Teacher: Larene Smith

Fabric and Class Preparation:

Two 2-1/2" Strip Packages i.e. Jelly Rolls (makes a 71" x 83" quilt) These do not have to be the same - they can co-ordinate.

1-3/8 Yard – Dark A

5 Yards – Light A (Backing) of if making a Double Sided Quilt See Below

Binding is not included on Supply List.

PLEASE come to class with the following prepared:

From each 2-1/2" strip cut (6) 2-1/2" x 4-1/2" rectangles and (6) 2-1/2" squares.

If you wish to learn the new "Progressive Quilting" concept you will need to bring a lot of scrap batting of which will be cut up to fit the sections as added. This concept allows for you to have a double sided quilt. So use scraps for the backing or make a double sided quilt with TWO colorways. For the project show here it requires TWO packages of strips so that means that you would need FOUR packages of strips.

If you prepare ahead of time this will allow for the balance of the project to be done faster.
