## ***PRESIDENT'S MESSAGE***

Perla spent her vacation visiting her husband in the hospital and then she herself had to have a stent put in. She is recovering now and we hope to see her at the meeting. We wish Perla and her husband both a speedy recovery and look forward to Perla's message next month.

### **PROGRAM CHAIRS SPEAK:**

We can't believe that summer is almost over and next month is September which a lot of us with kids have always thought of as the start of the new year! Think of it, too, as the start of a fabulous new year in your quilting life. We, the *Programs Triumvirate* have been working very hard finalizing the program for 2016-2017 and will show you at the August 15 meeting. You'll be able to sign on a [Interest List](#) for future events and register for Larene Smith's "Jammin' Jelly Sensations" (Sept 19) and Mark Lipinski's "Stars and Stripes" (October 16). Mark is well known and this one will fill up fast. Bring your checkbooks.

Think of Westside Quilters as your Quilting University bringing some of the best of today's quilting world to you—no long drives, hotel bills, or airports. To do this we need your support: renew your membership, take a class or two, or bring a friend to a meeting or a class. Make it your new school year resolution! We can't do it without you. Thanks for listening.

--Sally, Roberta, and Kathryn

Also learn how to do very impressive looking shading in order to create a 3D effect. Once you learn how easy it is, you will ask yourself "Why haven't I tried it a long time ago!" Start with a quilted sandwich, made by Irena and finish with a shaded colorful quilted creation. **No sewing machine for this workshop.**

## PHILANTHROPY

As mentioned last month, we are planning for the 4<sup>th</sup> *Annual Giving for Thanksgiving Philanthropy Workshop* scheduled for **Saturday, November 7, 2015**. This year the workshop will focus on making quilts for Wounded Warriors and continuing with the children's quilts for the local preschool groups.

If you made blocks for the following, bring them to the August meeting.

1. **\*Wounded Warrior Project:** FOR SHARING/EXCHANGING: Create patriotic themed blocks (finished **block size 12"x12"**) that can be mixed and matched with blocks from other WQ members creating sampler style quilts for the Wounded Warriors Project. Remember we have both men and women who are our Wounded Warriors. If you prefer to complete a top it can be any design as long as it is **48"x78" with batting (80-90% cotton), tied or quilted** (Option: pillowcase 20"x30").
2. **Children's Quilts:** FOR SHARING/EXCHANGING: The suggestion is to make blocks with a finished 5" center square made from "kid friendly" fabric then surrounded by single 1" (plus seam allowance) frame using a "smallish" print or solid color fabric. (finished **block size 6"x6"**). These blocks will be shared/exchanged and mixed with other blocks to create quilts. If you prefer to complete a top it can be any "kid friendly" design – blocks, strips, panels, etc. The finished quilt size is approx. 36"x48."

***Bring what you have to the August meeting to swap*** with other members for pre-assembly of the tops before the November meeting. (Additional information is available in the June 2015 WQ newsletter and on the WQ website.) We have some fabric in a variety of sizes and design that has already been donated and will be available at the philanthropy table to anyone interested. This will be inside and is ***different from the garden Fabric Fundraiser.***

As you plan ahead, these will be the things we will need at the workshop:

1. Appropriate 100% cotton fabric for backing and finishing both the Wounded Warrior quilts and pillowcases and fabric for the children's quilts
2. 2 ½" binding folded and lightly pressed
3. Batting – 100% cotton and 80/20 blends are acceptable
4. WQ members who can bring sewing machines to the workshop are needed to finish quilts, add bindings and any quilting or tying.

Philanthropy projects and other quilts of scraps approximate 5" or 10" square and novelties. These can start a Wounded Warrior, Charm, or children's quilt top. ## WESTSIDE QUILTERS EXECUTIVE BOARD MEETING

MAY 30, 2015

A meeting of the Executive Board of Westside Quilters was held on May 30<sup>th</sup>, 2015 at the home of Roberta Walley.

President Perla Rothenberg welcomed everyone and called the meeting to order at 10.20 am. Officers attending were Sally Wright, Tina Nord, Debbie Nussbaum, Roberta Walley and Lisa Drew. Introductions were made between the current and incoming board members in attendance - Luann Jaffe, Aileen Cooke, Karynn Dittmar, Kathryn Pellman, Hilary Smith, and Sue Woods.

The motion to approve the minutes of the April 26<sup>th</sup> Executive Board meeting was made by Sally Wright, seconded by Tina Nord, and approved by all.

**Vice President's Report:** Roberta Walley expressed how happy she is that Debbie Nussbaum is taking over the position of Vice President. Roberta talked about the duties, including attending the meetings of the Southern California Council of Quilt Guilds and how informative and helpful they can be. A mailing list is available for publicizing workshops and events and the SCCQG provides insurance for Guild events. Debbie was introduced as the incoming Vice President.

**Membership Report:** Sally Wright reported that one new guild member signed up at the May 2<sup>nd</sup> Quarterly Meeting, Mary Ann Sereth. So far 49 members have renewed for the upcoming year and 2 new members have signed up. Renewals generally continue to come in through August. Non-renewing members are not removed from the roster till mid-July and are then reinstated if they renew at a later date. Karynn Dittmar was introduced as the new Membership Chair.

**Website:** Sally requested a current email address from each board member. This will be the one linked to the WQ server. Sally will update the current list of Officers on the website this weekend. Aileen Cooke volunteered to update the SCCQG roster.

**Treasurer's Report:** Tina Nord reminded everyone that WQ was set up as an educational and philanthropic group, and as such each WQ event must have either a charitable or educational focus, not be solely a social event. Tina has been able to acquire stamps through her employer who has kindly donated them for Guild use. Tina noted that there is an expense report available for reimbursements, such as mileage or supplies related to the Guild.

The cash balance as of today is \$6300. The Guild has \$2550 in dues receipts and \$1195 in donations since May 1<sup>st</sup>. Dues and donations will show up in income for the new fiscal year. The final loss from this fiscal year should be somewhat less than the anticipated \$2000. The Charlotte Angotti workshop had a loss of \$292 instead of the anticipated \$700.

A Workshop Profit and Loss report for the upcoming years was discussed. Even well attended workshops have usually run at a loss. New guidelines are in place for upcoming programs including setting a maximum fee of \$70 unless the Programming Committee gets approval from the Executive Board. Speakers will be asked to stay at a member's home unless there are special circumstances that require staying in a hotel. The Committee will look to piggyback with close-by Guilds.

The Bank Resolution is ready for approval. Three signatories are required, the President, Vice President & Treasurer. A motion to approve the Bank Resolution was made by Sally Wright, seconded by Luann Jaffe, and approved.

**Newsletter:** Aileen Cooke and Luann Jaffe were introduced as the incoming Newsletter Co-Chairs. Lisa Redmond, the current Chair has met with, and assisted, Aileen and Luann with the transition.

**Philanthropy:** Debbie Nussbaum welcomed Sue Woods, Hilary Smith and Carol Kapuscinski as the new Philanthropy Co-Chairs. The annual November Philanthropy workshop was discussed. This usually occurs the first weekend in November and is held at the Westwood Presbyterian Church. Sign-ups will be available at the August meeting for members who would like to help both before, and at the Workshop. At each Quarterly meeting members are asked to sign in with any philanthropic work they have completed since the last meeting. Wounded Warrior quilts have been requested – a message regarding this will be in the June newsletter and this may be a focus at the Philanthropy Workshop.

**Programs:** Sally Wright, Roberta Walley and Kathryn Pellman are the incoming Program Co-Chairs. Sally reported that the February workshop and lecture with Nancy Mahoney had been cancelled and Luke Haynes has been booked to present his workshop "Clothes to Quilts" and to speak at the February Quarterly Meeting.

Mark Lipinski has a draft contract ready to sign. He will present a one-day workshop on Friday, October 16<sup>th</sup> - "Stars and Stripes" - a modern take on the flag incorporating a drunkard's path technique. This works into his "slow stitching movement", using tools and fabric you already have rather than buying new. This may include participants being encouraged to bring in fabrics to share with others at the workshop.

There are currently nine members enrolled for the Jane Tenorio-Coscarelli, "Cutaway Applique" June workshop. The workshop will be held at the home of Roberta Walley to help minimize costs. A discussion was held regarding the upcoming Irena Bluhm workshop in August. A workshop fee has to be decided before opening registration so expenses and variables were discussed. This workshop will be opened and promoted to other Guilds. Sally will contact the other Guilds.

Sally, Roberta and Kathryn will meet to plan workshops and programs for 2016.

**Other Guild Business:** The Fabric Giveaway/Fundraiser will be held at the August Quarterly Meeting. Lisa Drew will coordinate. Aileen has put a message in the June newsletter requesting fabric. An email will follow and Members can contact Lisa directly for pick up or drop offs.

The next Executive Board meeting will be held at the home of Sally Wright on Saturday July 25<sup>th</sup> at 10am. The meeting was adjourned at 12pm

Respectfully submitted,

Lisa Drew, Secretary
