

## **PRESIDENT'S MESSAGE**

We passed our LDS Visitor's Center exhibit with flying colors! It was a success all around and we received many compliments. Of course it came down a lot faster than it went up! But all in all, we had many visitors view our quilts, including one evening where 500 visitors attended a musical program in the quilted covered hall. I'd like to thank my "advisor assistants" who helped me with last minute changes in putting the exhibit up, and also the ladies who took time out of their busy schedules to visit with guests and speak about quilting on the weekends. Who knows, we might even get new members due to this event. We also would like to extend our thank you to the LDS Visitor's Center, particularly Jill & Greg Gollaher, who came up with the idea—Thank you!

The awful humidity and heat has finally dissipated, thank goodness. I can now go back to sewing. I have lots of quilts to complete, most needing to be quilted. But in the middle of all the chaos, which I tend to create for myself, I felt a need to create a Dresden plate quilt. I missed out on WQ's workshop with Anelie Belden "Thoroughly Modern Dresden." I think I was sick that day. Even though I like Anelie's "pointy" Dresden plates, I prefer the rounder version. I had two bright fat quarter packs which I used to cut out blocks for two quilts: a square-in-a-square, and from the leftovers I was able to make enough blades to make five Dresden plate blocks. Now I just have to decide on my background fabric. I'd like to do a "modern" version but nothing has come to mind yet. At least my plates are ready to go when it does.

Ann Turley's workshop "Making Faces" was a lot of fun. I hope to finish mine and show it at our show and tell portion of our October 18 guild meeting. I hope others in the class bring theirs as well—we can have a reunion of sorts!

I have one quilt ready to go for our Philanthropy workshop scheduled for Nov. 8, and two more are in the works. I hope everyone will be able to turn in at least one quilt to donate to Para Los Niños, Las Familias Del Pueblo, and/or St. Joseph Center. More information about these charities are on our website. Let's all do our part to deliver at least one quilt to our Nov. 8 charity event! See you there.

**Perla Rothenberg**

## **October 18 General Meeting**

This month's quarterly meeting, with the new date of October 18, promises to be an exciting event!

To start, be sure to come at 9:30 before the meeting begins at 10 to mingle with other members. You can also enjoy a snack and hot coffee or tea provided by our fabulous hospitality chairs, **Sally Madigan** and **Bobbi Leung**. Member **Pepper Libow** will be sharing another wonderful demonstration on uses for Layer Cakes (10" fabric squares).

Also, in a first for Westside Quilters, you will have the chance to register for your pick of any of the 2015 workshops! We have a sensational slate of instructors/teachings and events coming our way next year that includes Sharla Hicks with Zentangles, Charlotte Angotti with a mystery surprise quilt kit, a Downtown Los Angeles fabric shopping tour, and the hilarious Mark Lipinski.

Of course we will have a show-and-tell. Be sure to bring something to show. It does not have to be a quilt, it can be anything hand made, or quilt related such as a book. You can also stand up and tell us about a quilt-related tour you took or event you attended.

And finally, our guest speaker is acclaimed wearable artist and quilter Lisa Cuolombe. In a not-to-be-missed event, Lisa will present a fast paced fashion show of over 40 of her jackets and coats in this trunk show of her work in the field of wearable art. The models are our own members!

See you on Saturday, October 18.

## MEETING LOCATION AND DIRECTIONS

**ST. JOHN'S PRESBYTERIAN CHURCH, WEST LOS ANGELES**  
11000 National Boulevard, Los Angeles, CA 90064

Our quarterly meetings are held at St. John's Presbyterian Church in West Los Angeles. Many Los Angeles residents know St. John's because of the Moreton Bay Fig tree facing National Boulevard. It is so large you sometimes forget it is a tree!

St. John's Presbyterian is located three blocks east of Sepulveda Boulevard on the south side of the street, between Tilden and Military (there is a traffic signal at Military). There is abundant parking for all in the parking lot in the rear. We meet in Fellowship Hall, which is on your left as you leave the parking lot. There are no steps from the parking lot to the entrance of the Fellowship Hall.

# ***PROGRAMS & WORKSHOPS***

What a great time we have been having in programs and workshops!

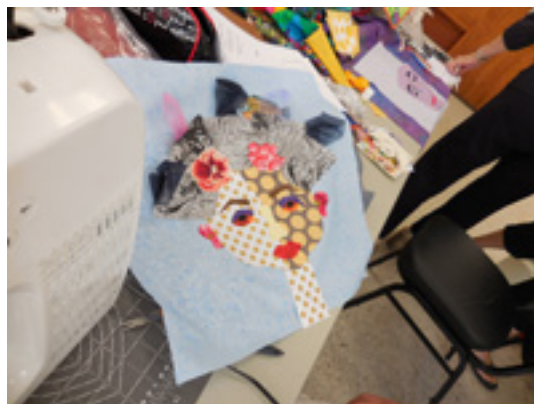

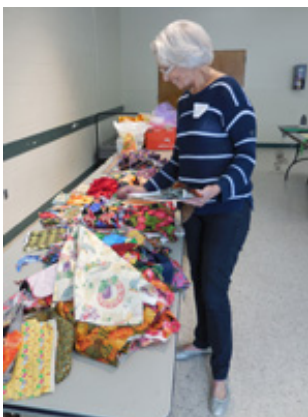

In September, members of the guild participated in an adventurous workshop with Ann Turley! After a quick lesson in how to draw a face, we tossed our inhibitions to the side and stepped out of our comfort zones to create some colorful, lively faces. It was so fun to see participants try new things and there wasn't one face in the room that looked the same as any other. We learned to look at fabric and other craft elements in a new way and see the many different ways they can be used to enhance a project and bring it to life. It was fun to hear some exclaim, "Look what I did!" Or "I can't believe I made this!" We laughed, we stretched ourselves creatively, and it was a truly wonderful time had by all.

We have an opportunity for you to get a head jump on next year's exciting workshops. Attend the next general meeting on Saturday, October 18 for the chance to be the first to reserve a spot for the 2015 workshops! We have an exciting slate prepared for our members with dynamic instructors and intriguing teachings. Among the upcoming events and workshops are Mark Lipinski for two days of classes, a mystery quilt with Charlotte Angotti, workshops on Zentangles and using Jelly Rolls, and a Downtown LA fabric shopping tour. See the entire 2015 program schedule with further information on our website at [www.WestsideQuiltersLosAngeles.org](http://www.WestsideQuiltersLosAngeles.org).

Happy Quilting!

**Stephanie Horsley**

## LEADERSHIP

Congratulations to all the Westside Quilters who volunteered, had quilts on display and visited the "Our Quilting Heritage" show at the LDS Visitor's Center.

It took much effort, time and leadership from our President **Perla Rothenberg**. The afternoon we arrived to hang our quilts at the show, Perla was there with a detailed layout plan. All the quilts had been sorted and labeled, ready to be hung. We had the helpful hands of WQ members and the LDS Visitor Center staff. Thanks to all who volunteered.

It was also lovely to see the Santa Monica Quilt Guild and African American Quilt Guild portions of the show. Each show had a distinct character and showed the talent and creativity of its members. As well, a wonderful representation of the vibrant quilting community we have in Los Angeles.

**Roberta Walley**

Sorry Ted. It says right here: Using her fabric scissors for cutting paper IS grounds for divorce.

## **3rd ANNUAL GIVING FOR THANKSGIVING WORKSHOP**

Saturday, November 8th is the date for the free philanthropy workshop, "Giving for Thanksgiving." The workshop is from 9:30am to 3:30pm, and will be held at Westwood Presbyterian Church, 10822 Wilshire Blvd., Los Angeles, 90024.

We hope you have your calendars marked! It will be an entertaining and productive day as we assemble quilts for children. The children's charities we're targeting are Las Familias del Pueblo, Para Los Niños and Saint Joseph Center. The Saint Joseph Center wants quilts that are 40" x 52". Para Los Niños wants quilts that are 36" x 46". However, Las Familias and Para Los Niños have families in need of children's quilts of all sizes.

## **PLAN FOR THE WORKSHOP**

We are planning to have the following stations to complete the quilts:

PIN BASTING - Some tops will arrive at the workshop that have not yet been quilted. These will all be rather small quilts, so we will need some people to pin baste. SUPPLIES REQUIRED: Pins for basting.

QUILTING - For those of you comfortable with quilting small quilts on your home machine, please come ready with whatever you need to help us with this part of the process. SUPPLIES REQUIRED: Sewing machine, walking foot, gloves and thread.

MAKING BINDING - This part of the process will involve sewing and ironing. If you have solid fabric you can spare, this would be a good time to bring that in. SUPPLIES REQUIRED: Cutting board, rotary cutters, iron and ironing board or other ironing surface, sewing machine and thread.

SEWING BINDING ON QUILTS - We are planning to have the binding for the quilts we complete in the workshop to be sewn by machine. Hand sewing the binding to the back of the quilts is way too time consuming and will limit the number of quilts we'll be able to complete during our workshop. SUPPLIES REQUIRED: Sewing machine, thread

IRONING - We are mentioning this as a separate part of the process because we really need enough people and irons to have the most productive workshop possible. Although our last workshop was a success, we could have been more productive if we had more up and running ironing stations. SUPPLIES REQUIRED: Irons and ironing boards or other ironing surface.

ATTACHING WESTSIDE QUILTERS LABELS - This part will require hand sewing. I hope to have some of the quilts with labels sewn onto the backs prior to quilting, but this won't always be the case. SUPPLIES REQUIRED: Hand sewing needles and thread.

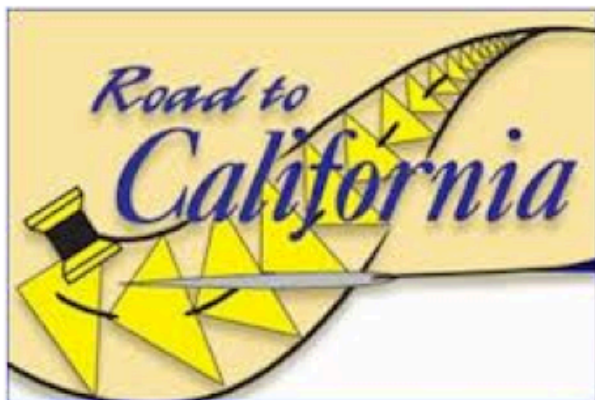

At the next WQ general meeting, OCTOBER 18th, there will be sign-up sheets for the various workshop stations, with lists of what to bring. Please stop by the table and sign up.

## **Additional Philanthropy Goal**

Did you know WQ provides scholarships to workshops? If you know anyone not in the guild that might like, or would benefit from, a particular class, please let us know. They can be a youngster, neighbor or teacher; it's a wonderful way to introduce people to quilting and our guild.

We truly appreciate everyone's charity efforts! Happy stitching.....

**Tanya Heldman and Debbie Nussbaum**

### Road to California Atrium Quilts

Thanks so much for your response to the request for quilts for the Road to California Atrium exhibit in January. We have a good start, but we still need more quilts! I will be out of town from October 17 to November 3, and would love to have the majority of the information on your quilts before I leave. We don't need the physical quilts until early January, but it would be a great personal favor to me to have all the info in as soon as possible since I have to get it to the people at Road by November 10th.

The entry form is in this newsletter on page 11. Print it out from this newsletter or download it from the home page at [www.WestsideQuiltersLosAngeles.org](http://www.WestsideQuiltersLosAngeles.org) and return it along with a snapshot to the address on the form. Just remember that all quilts must be at least 72" long.

**SAVE THE DATE:**

**SATURDAY, DECEMBER 6**

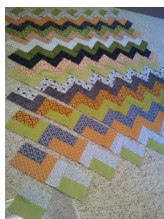

## WQ MEMBER HOLIDAY TEA

This year's annual WQ Member Holiday Tea will be on Saturday, December 6, at the home of member **Roberta Walley**. Details are still to come, but hold this date on your calendar for an event of holiday cheer and fellowship with WQ members.

In the meantime, the board is looking for suggestions of a local charity or two to benefit from our Holiday Tea. Please send your suggestions to [President@WestsideQuiltersLosAngeles.org](mailto:President@WestsideQuiltersLosAngeles.org). Thank you in advance for your suggestions!

## WESTSIDE QUILTERS EXECUTIVE BOARD MEETING — SEPTEMBER 27, 2014

A meeting of the Executive Board of Westside Quilters was held on September 27th, 2014 at the home of Sally Wright.

President Perla Rothenberg called the meeting to order at 10:15. Other officers attending were Sally Wright, Tanya Heldman and Lisa Drew.

The motion to approve the minutes of the July 26<sup>th</sup> meeting was made by Sally Wright, seconded by Tanya Heldman, and approved.

**President's Report:** Perla talked about the successful LDS Quilt Exhibit. The Board thanked Perla for all of her hard work coordinating the exhibit.

The Holiday Tea was discussed. The suggested date is Saturday December 6<sup>th</sup>. The venue is not confirmed yet. A request for ideas of which local community groups to donate to this year will be in the newsletter.

**Vice President's Report:** The Southern California Council of Quilt Guilds meeting will be held on October 11th. Roberta Walley will be out of town. Sally Wright may be able to attend. Perla will be there.

**Membership Report:** Sally Wright reported that there are now 86 guild members. Sally will not be able to attend the October quarterly meeting and asked for someone to take her place at the membership table.

Options for assisting with the set up of Mini Groups were discussed. It was decided that there will not be a break away session at the Philanthropy workshop.

Sally reported that there are 20 entries for Road to California so far. 35 quilts are needed. Paperwork and photos should be submitted to Sally as soon as possible.

**Treasurer's Report:** Tina sent the following report to the meeting: Cash balance: \$7,681.52. The Culver City Vets Memorial Complex is holding a refundable deposit of \$325.00.

The Laurel Anderson workshop in August had 8 paid registrants and resulted in a loss of \$495. The Ann Turley workshop had 15 paid registrants and a loss of \$57.

In October, we need to pay \$1,450+ in expenses: Annual SCCQG fee (\$350+) and our CPA for tax preparation services (\$300). Also, we'll have the expense of a quarterly speaker (estimated \$800).

In May we donated \$200 to the Veterans Home of California for their generosity in letting us use one of their residence dining rooms for our Jane Sassaman workshop. (They offered it to us at no charge.) This check has not been cashed. Finally this week we ascertained that the check should be considered lost and a replacement check will be issued.

The Board should be advised that our SCCQG liability insurance is a valuable asset. For the equivalent of \$350+ (see above reference to the annual fee) we are able to get low-cost liability insurance. Without liability insurance, most venues would not accept us. If they did accept us without insurance, the entire WQ membership would be "severely liable" in the case of a lawsuit for an accident or injury.

**Newsletter:** The deadline for the October newsletter is September 30<sup>th</sup>.

**Philanthropy:** Tanya Heldman talked about the November 8<sup>th</sup> Philanthropy workshop. Tanya requested help with the quilting both ahead of time and at the workshop. Tanya will talk at the quarterly meeting about what is needed for the workshop.

**Programs:** The Veterans' Memorial Center was an ideal location for workshops and can be reserved for the year ahead. Issues with Insurance paperwork and deposit checks were noted.

The Lisa Coulombe workshop may have to be cancelled due to the current number of registrants.

Sign-up sheets for interest in the 2015 workshops will be available at the October meeting.

The next Executive Board meeting will be held at Sally Wright's home on November 15, 2014.

The meeting was adjourned at 11.10.

Respectfully submitted, Lisa Drew, Secretary

## Road to California Atrium Exhibit January 2014 Entry Form

Westside Quilters has been selected to show quilts in the annual Quilt Guild Exhibit quilts in the atrium of the Ontario Convention Center during Road to California January 22-25, 2015. We need 35 quilts all of which are at least 72" long. Width can vary and is not critical. The quilts are hung from the upper level and provide a wonderful view as you enter the Convention Center.

All quilts must have a 4" hanging sleeve attached and each quilt needs to be labeled with the Quilter's name and Phone number. Please put the labels on the top right hand side (on the back of the quilt) near the sleeve. The Road to California organizers encourage you to name your quilts, it makes for a more interesting exhibit. All quilt tops must have been made by a WQ Member. There is no "Made after" date requirement. All quilt styles are welcome!

All the entry forms must be returned by **November 1**, but we don't need the actual quilts until January 10<sup>th</sup>. Get your entries in early – If we receive more entries than the 35 we need, there will be some very informal jury process to provide the best and most varied showcase of our talented WQ Members. Earlier entries may get priority. Please include a photo (at least 4" X 6") of each quilt along with your entry form. Photos can just be a snapshot – they are for our use only and will not be published. Each quilt requires its own separate form.

Please fill out the following completely. Some of the information will be used by Road to California for signs which will hang with your quilt. Questions? Contact Sally Wright below.
